A screenshot of the Chuo University 'respon' dashboard. The page title is 'Dashboard 利用状況のサマリー'. On the left, there is a sidebar with the 'respon' logo, 'Chuo University 教員名', and statistics: '実施カード数 0枚' and '平均提出率 0%'. Below these are icons for settings, video, and a help icon (circled in red). A red callout box points to the help icon with the text 'responマニュアル'. The main content area shows a '0% Progress' gauge and a '0枚 Conducted' gauge. At the bottom, there is a 'ダッシュボード' (Dashboard) menu item and a date selector.
